HELPING PEOPLE STAY ACTIVE,
INDEPENDENT, AND CONNECTED

About FamilyDom

FamilyDom connects families, care organisations and independent care professionals to provide reliable home care solutions.

We work with carefully selected independent care professionals from Ukraine and the Czech Republic who offer their services as self-employed professionals.

Our mission is to help people live at home with dignity, stay active and independent for as long as possible – with the right support and the right people around them.

For care organisations, we are a trusted partner providing access to experienced, motivated and reliable care professionals.

Focused on people

We believe quality care starts with trust, respect and human connection.

Experienced partner

We understand the needs of families, care professionals and care organisations.

Reliable and transparent

We communicate clearly and act with honesty in every step of our cooperation.

Committed to quality

We carefully select professionals and provide ongoing support.

At FamilyDom, we build partnerships that make a real difference – for families, for professionals and for the people who need care.

How We Select Care Professionals

We follow a careful and thorough selection process to ensure that families and care organisations can rely on experienced, trustworthy and compassionate professionals.

- **1 Application & Screening**
We review each application and conduct an initial screening of experience, skills and motivation.
- **2 Personal Interview**
We meet each candidate in a personal interview (online or in person) to assess communication skills, attitude and suitability for the role.
- **3 Document & Identity Verification**
We verify identity documents, references (when available) and check relevant certificates or training.
- **4 Language & Communication Check**
We ensure that candidates have basic German communication skills to understand and be understood.
- **5 Self-Employment Status Confirmed**
We confirm that candidates are registered as self-employed (OSVČ / Selbstständig).
- **6 Final Evaluation & Approval**
Only candidates who meet our standards are approved and added to our network of care professionals.

Our Selection Criteria

- ✓ Verified identity and right to work
- ✓ Relevant experience in elderly care
- ✓ References when available
- ✓ Basic German communication skills
- ✓ Self-employed status (OSVČ / Selbstständig)
- ✓ Personal interview by FamilyDom
- ✓ Professional and respectful attitude
- ✓ Commitment to quality and reliability

Safety, trust and quality
are at the heart of everything
we do.

Through our rigorous selection process, we build a network
of care professionals **you can trust.**

How Cooperation Works

We make the process simple, transparent and efficient so you can focus on what matters most – providing the best care.

1

We discuss your needs

We get to know your organisation, the type of care you provide and the professionals you are looking for.

2

We identify suitable professionals

We carefully search our network of pre-selected independent care professionals who match your requirements.

3

You receive profiles

We send you detailed profiles of suitable candidates, including experience, skills and availability.

4

You review and decide

You review the profiles and decide which candidates you would like to get in touch with.

5

We facilitate the connection

We introduce you to the selected professionals and support the initial communication.

6

We continue to coordinate

We remain your partner throughout the cooperation, providing ongoing support and assistance.

Your benefits

- ✓ Access to carefully selected professionals from Ukraine and the Czech Republic
- ✓ Saves you time and resources
- ✓ Flexible and scalable cooperation
- ✓ Reliable professionals and transparent processes
- ✓ A partner you can count on

Our goal is to build **long-term partnerships** based on trust, reliability and a shared commitment to quality care.
